

Broken Road

 14  0  1

Chapter 1 by Sam I am

Along this lonely road I walk
Where voices hush and no one will talk,
Glass is broken and scattered
Where my heart was left to be shattered.

Bare feet walk this path,
Waiting just to feel more wrath,
Pain shocking through my feet,
Just walking 'til we meet.

You were taken
You were stolen,
Your spirit meant to be broken.

The pain was real
Something that would take time to heal
But the only hope that was to see

Was the only line from you to me

See more of Story Wars

You couldn't tell, you could
The pain growing inside of
I could barely walk

I couldn't even talk.

You wanted someone who was not there

You needed something you could not bare.

Your back was turned to the one who was near

To the one who always is here.

The roads I crossed and the pain I bore

You couldn't even see me anymore.

The person who loves you more than anything

You treated like nothing.

Even though I was forgotten

I was still trying to get in

Get in to your heart.

Slowly but surely I faded

Feeling nothing but hatred

You my everything

I was your nothing.

I walked across broken glass

Which was nothing like feeling grass.

You didn't even see me

Did you even care about me?

There was something more that you wanted

Something you thought that you needed.

I wasn't good enough for you

I wasn't even as good as a dirty, old shoe.

Here I stand on this broken road

Giving you something I thought you would

You played me like a violin

Only to never see me again

Now you stood alone

Your ignorance clearly shown.
You felt no pain
You had nothing to gain.

Soon after I left you started to fall
My name i heard you call.
But I was no longer there
I was no where.

You wanted me to help you up
But I was fed up.
I was hurt by you
I felt worthless all because of you!

Now you were in my shoes
Feeling nothing but the blues.
You wanted my attention
But I knew you were just a distraction.

I walked along a broken road for you
Only to be pushed away from you.
Now you were being pushed away
With not a word to say.
